

Accessibility Statement

Effective Date: June 13, 2026

Accessibility Commitment

Heritage Building Contractors Co. is committed to ensuring digital accessibility for all users, including individuals with disabilities. We strive to provide an inclusive, user-friendly online experience and are continually working to improve the accessibility and usability of our website.

We believe that everyone should be able to access information about our services, submit inquiries, and interact with our website regardless of technology, ability, or circumstance.

Our Accessibility Efforts

We are committed to making our website accessible by:

- Using clear and readable content;
- Providing logical navigation and page structure;
- Supporting keyboard navigation where possible;
- Maintaining appropriate color contrast for readability;
- Using descriptive links and headings;
- Working to ensure compatibility with common assistive technologies and screen readers;
- Regularly reviewing our website for accessibility improvements.

Accessibility Standards

We aim to follow recognized accessibility best practices and, where reasonably achievable, align with the principles of the **Web Content Accessibility Guidelines (WCAG) 2.1, Level AA**.

While we strive to meet these standards, some areas of the website may not yet fully comply, and we are continuously working to improve accessibility.

Compliance with Canadian Accessibility Laws

Heritage Building Contractors Co. is committed to complying with applicable accessibility legislation and regulations in the jurisdictions where we operate. We recognize the importance of providing equal access to information, services, and digital content for all individuals.

Where applicable, our accessibility efforts are guided by relevant federal and provincial accessibility laws, regulations, and standards, including those that promote barrier-free access to services, information, and communications.

Although accessibility standards and legal requirements may evolve over time, we are committed to ongoing improvements and reasonable efforts to maintain an accessible website and customer experience.

Third-Party Content

Our website may contain links to third-party websites, applications, tools, or services that are not owned or controlled by **Heritage Building Contractors Co.**

We cannot guarantee the accessibility of third-party content but encourage providers to offer accessible experiences for all users.

Ongoing Improvements

Accessibility is an ongoing effort. We regularly evaluate our website and welcome feedback that helps us identify and address accessibility barriers.

As technology evolves, we will continue to assess and improve our website to enhance accessibility and usability.

Need Assistance?

If you experience difficulty accessing any content on our website, encounter an accessibility barrier, or require information in an alternative format, please contact us.

When reaching out, please provide:

- A description of the issue;
- The webpage or content involved;
- The device and browser you were using (if known);
- Any assistance you require.

We will make reasonable efforts to respond promptly and provide the information or assistance requested.
